

Wedding Brochure

Glass Art specialises in exclusivity and personal service. We have established a reputation for producing fine and detailed engraving, by the sand blast method, backed by prompt and efficient service at an extremely competitive price.

Crystal or glassware can be selected from our fine range of products or we can be commissioned to engrave on your glass, subject to our quality inspection.

Whatever the occasion, be it Wedding, Birthday, Anniversary or any special event Glass Art will ensure that your exclusive image creates a lasting impression and a gift of pure quality.

A selection of standard graphics are available or we can engrave your own design to the crystal/glass objects.

Every customer enquiry is given individual attention. If you have a particular requirement, however large or small, please contact us at:
